

Southold Dance Theater

presents

The Nutcracker

Friday, December 8th, 2017

Morris Performing Arts Center

Southold Dance Theater invites you and your school to experience the magic of *The Nutcracker Ballet* this season. We offer this performance to all area schools at a subsidized rate. We believe in the importance of classical dance and hope that your young students can participate this year.

In a time when many of our schools receive significantly fewer arts dollars than previous years, we are pleased to invite your entire school to *The Nutcracker Ballet* at an affordable ticket price. For many students, this is their first exposure to a dance performance, or a production of this scale. In addition to discussing the intrinsic value of the arts, there are many ways that this performance can connect to the school day curriculum: history, drama, music, design, business, architecture, etc.

RSVP by November 10th, 2017.

All schools must arrive 20-30 minutes before show start time. No late seating.

No more than 1 adult per 4 students, please.

return lower portion to Southold Dance Theater by November 10th, 2017 with ticket fees
